(Los Angeles, CA) Josh Goldstein of Compass was named one of America's most productive sales associates as a part of RealTrends + Tom Ferry America's Best, a state-by-state ranking report produced by RealTrends and Tom Ferry International. He has earned recognition as part of the top 1.5% of Real Estate professionals in the nation, and ranked number #719 in California.

RealTrends America's Best Real Estate Professionals ranked over 23,500 residential real estate professionals solely based on their excellence in real estate sales during calendar year 2021. All production numbers are independently verified by a third party to ensure accuracy and report integrity. This group of highly successful real estate sales agents represents the top 1.5 percent of all real estate practitioners in the United States.

"Congratulations to Josh Goldstein who made America's Best," says Tom Ferry, owner and founder of Tom Ferry International. "There are multiple ways to become successful in real estate. Yet, despite the differences, the real estate professionals on this list have one thing in common—they are simply the best. Congratulations to all recipients of this prestigious recognition."
